

Clothing Use & Logo

North Toronto controls the use of its LOGO and any reference to the term “North Toronto Hockey”. The purpose of this control is so North Toronto can develop a brand identity to avoid past situations with multi different apparel and looks. We are trying to create a team identity across the entire Association and not just a group of teams.

All team clothing and team apparel with the North Toronto logo must be purchased through the North Toronto Clothing Program. Available on our website www.nthockey.ca

Any individual or team that requires products or services involving the NT brand that is not available with current authorized suppliers should contact Mike Sherwood or Liz Ross
