

Graham Lloyd

President NTHA

The North Toronto Hockey Association prides itself as a community based Association, at its House League and even at its Competitive programs. The Association has created the below Clubs to recognize the loyalty of eligible players.

If you are, or you know someone who may be, eligible, please have them contact President@NTHockey.ca. All that needs to be done is to provide the details of the years played and, for House League, the team names and, at the competitive levels, the name of the head coaches. All eligible applicants will be reviewed by the NTHA's senior management committee to verify qualifications. Thanks and Congratulations.
